

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at <http://books.google.com/>

During the past year schools have been maintained at each of our schoolhouses, and while on general principles, I am in favor of concentrating pupils into fewer and larger schools, yet I am convinced that in the case of our own town, a greater degree of success can be attained by maintaining a school in each of our former districts than by transporting pupils from one end of the town to the other. I would recommend that a small sum of money be raised to purchase new histories and to complete the change in other text-books.

In closing I would congratulate the people of Sorrento upon the high average attendance maintained, and the very gratifying progress made in their schools in the year just passed. Let us constantly strive to improve upon these conditions in the years to come.

Respectfully submitted.

S. R. DOWNING,

Superintendent.

COPY OF THE WARRANT
FOR THE
TOWN MEETING TO BE HOLDEN MARCH 3, 1902.

STATE OF MAINE.

HANCOCK COUNTY SS.

To Leslie T. Havey, a constable in the town of Sorrento, in said county, greeting:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the town of Sorrento, qualified by law to vote in town affairs, to assemble at the High Head schoolhouse in said town, on Monday, the third day of March next, at 10 o'clock in the forenoon, to act on the following articles, to wit:

1. To choose a moderator to preside at said meeting.
2. To see if the town will vote to accept the report of the selectmen, assessors and overseers of the poor.
3. To choose a town clerk for the ensuing year.
4. To choose selectmen, assessors and overseers of the poor.
5. To choose a treasurer of the town.
6. To choose a road commissioner.
7. To choose a member of the superintending school committee for the term of three years.
8. To choose a superintendent of schools.
9. To choose a collector of taxes.
10. To choose constables and all other necessary town officers for the ensuing year.
11. To see if the town will allow a discount on all taxes paid on or before July 1, and what per cent.
12. To see what action the town will take in regard to digging of clams.
13. To fix the compensation of each of our several town officers, to wit: The selectmen, assessors and overseers of the poor, town treasurer, town clerk, collector of taxes, superintendent of schools and road commissioner and raise money for the same.
14. To determine what sums of money the town will raise for the following purposes:
15. For repairs of highways, bridges, and for the removal of snow and to fix the compensation of men and teams on the same.
16. For the support of common schools.
17. For repairing of school property.

18. For purchase of text-books.
19. For the support of poor.
20. To see what action the town will take in regard to paying the pauper bill against the town, as presented by the town of Sullivan.
21. To see if the town will vote to raise the sum of \$500 to be used as a surplus fund.
22. To see how much money the town will raise for current and contingent expenses.
23. To see how much money the town will vote for D. L. Weare Post, G. A. R., for the observance of Memorial Day.
24. To see if the town will vote to maintain two schools.
25. To see if the town will vote to accept the Springfield road, so called, as laid out by the selectmen.
26. To see if the town will vote to exempt the main wharf at Sorrento, now property of the F. B. Land Co., from taxation for a term of years, to be decided by the town.
27. To see if the town will vote to raise a sum of money to purchase the road machine, now the property of the F. B. Land Co., and what sum.
28. To see if the town will vote to widen Main street on the east side beginning at the corner of Waukeag Ave., thence to Ocean Ave., and drain the street to low water, as per petition of Eva S. Cochran and others.
29. To see if the town will vote to accept the list of jurors as prepared by the selectmen.
30. To see if the town will vote to discontinue the road leading west from the main road from a point in front of Geo. F. Mitchell's house to the junction with the Springfield road so called.
31. To see if the town will vote to establish nine hours as a day's work on all town work, as per petition of Jos. Fenton and others.
32. To see if the town will vote to employ an auditor of accounts.
33. To see if the town will vote to publish in the town report the names of delinquent tax payers.

The selectmen will be in session at High Head schoolhouse on the third day of March next at 9 o'clock in the forenoon for the purpose of correcting the list of voters.

Given under our hands this 21st day of February, A. D. 1902.
